Eat Breakfast at School!

Mornings can be really crazy...the alarm doesn't go off...the kids don't want to get up...there's no time to eat breakfast before the bus comes...or they're just not ready to eat. If this sounds like your house, we have good news for you.

Breakfast is served at school! School breakfast will give your child a healthy start to the day. A nutritious breakfast helps students be more alert so they can learn more in class. Breakfast has vitamins and nutrients for a strong and healthy body.

Breakfast at school is affordable, too. If you qualify for free and reduced price meals, you also qualify for the breakfast program, with no additional paperwork. You can't find a healthy breakfast at such a low cost anywhere. Help your child start the day right with school breakfast!
