Need volunteer hours? Want to volunteer from home?

The parish is need of one or two volunteers to edit weekend Mass recordings. Editing takes one hour each time you are scheduled, and *you can do this from home!* You would need a mid-range computer that can read large(100GB) .mov video files from an external hard drive *and* be able to download a free video editor that will consume 5GB of computer space. Hours will count towards your school volunteer hours. If you are available, please contact Aana Freihammer afreihammer@stphilipsbemidji.org or 218-441-4905.

Volunteer Lunchroom Monitors Needed

Lunchroom monitors are needed everyday from 11:35 am - 1:30 pm. Tasks include helping younger students open cold lunch items, washing tables, answering student questions, wiping down tables, etc. You will not be working alone. Choose one day or many. Plan ahead or call the day you can help.

Hours worked count towards volunteer hours. You must be Safety Environment Certified.

Thank you!
